

Timelines & Factors to Consider

General Information

- ❖ The dresses you try on are most of the time samples
- ❖ Almost every single dress comes in other colours, the bridesmaid dresses can come in 40-64 different colours
- ❖ We only have 1 sample
- ❖ If you are over 5'9 you will need extra length *extra fee
- ❖ Some companies charge for plus sizes (this is awful but we don't have a choice) *there is an extra fee that differs per company
- ❖ Alterations are extra
- ❖ If you are expecting or think you will be, this is something we NEED to know
- ❖ Dresses are ordered according to a set of standard measurements given to us by each company,
 - Meaning we have to order to your biggest applicable area, you will need a pinch here and there in order for your dress to fit flawlessly
- ❖ Keep in mind perfection takes time, but if you need a fairy godmother, we always have miracles up our sleeve

Wedding Gowns

- ❖ On average take 6-8 months to order
 - Don't have that much time? We have several options
 - 1) We have express delivery here at no extra charge on certain Alfred Angelo Dresses
 - 2) Purchase a stock piece, we understand sometimes things approach quickly and you need a dress!
 - 3) Ask if there is stock in the dress, sometimes we get lucky and a company has stock, we will be more than happy to check for you!
- ❖ Start your wedding gown fittings around 6 weeks before your wedding
- ❖ Allow for around 3 fittings for your wedding gown
- ❖ Wedding gowns are made to a standard set of measurements so chances are you will need a tweak here and there, however, ask us about hallow to hem!

Hallow to hem is making the dress more appropriate to your measurements and height
